

***Mission Statement of the
Association of Massachusetts Bird Clubs
June, 2021***

- (1) promote birding across Massachusetts
- (2) encourage and facilitate communication among member clubs
- (3) provide opportunities for exchanges of ideas and collaborative efforts that will help member clubs fulfill their respective missions
- (4) support conservation of birds and their habitats and
- (5) Provide a safe and inclusive space for all current and potential bird club members regardless of race, ethnicity, religion, gender, national origin, sexual orientation, (dis)ability, socioeconomic status or apparent birding skill.
